Arkansas		
Ark. Code Ann. § 5-14-123	Class A Felony	It is a class A felony for a person who knows that he or she has tested positive for HIV to expose another to HIV (1) through the transfer of blood or blood products or (2) by engaging in sexual intercourse, cunnilingus, fellatio, anal intercourse, or any other intrusion, however slight, of any part of a person's body or of any object into the genital or anal openings of another person's body, without first having informed the other person of the presence of HIV. The emission of semen is not a required element of the crime.
Ark. Code Ann. § 20-15-903	Class A Misdemeanor	A person who is HIV positive must, prior to receiving any health care services of a physician or dentist, advise such physician or dentist that the person has HIV. Failure to do so is a class A misdemeanor.
California		
Cal. Health and Safety Code § 120291	Felony	Any person who exposes another to HIV by engaging in unprotected sexual activity (anal or vaginal intercourse without a condom) when the infected person knows at the time of the unprotected sex that he or she is infected with HIV, has not disclosed his or her HIV-positive status, and acts with the specific intent to infect the other person with HIV, is guilty of a felony. A person's knowledge of his or her HIV-positive status, without additional evidence, is not sufficient to prove specific intent.
Cal. Health and Safety Code § 120290	Misdemeanor	Any person afflicted with any contagious, infectious, or communicable disease who willfully exposes him/herself to another person is guilty of a misdemeanor.
Cal. Health and Safety Code § 1621.5	Felony	It is a felony for any person who knows that he or she has HIV to donate blood, body organs or other tissue, semen, or breast milk to any medical center, breast milk bank or semen bank. (Does not apply if person is mentally incompetent, donates blood for autologous donation, or self-defers his or her own blood under Cal. Health & Safety Code § 1603.3(b).)

Cal. Penal Code § 12022.85	Sentence Enhancement	Any person who commits a sexual offense listed in this statute with the knowledge that he or she is infected with HIV at the time of commission shall receive a three-year enhancement for each violation in addition to the sentence provided for the sexual offense itself.
Cal. Pen. Code § 647f	Penalty Enhancement	Any person who is charged with soliciting or engaging in prostitution under Cal. Pen. Code § 647(b) shall be also charged with a previous conviction(s) and with having been informed of positive blood test result(s) if: (1) the prior conviction(s) was for violating Cal. Pen. Code § 647 or any other offense listed in Cal. Pen. Code § 1202.1(d); (2) the person was tested for HIV in connection with the prior conviction(s) with positive test results; and (3) the person was informed of that positive test result(s). If the previous conviction and informed test results are found to be true by the trier of fact or are admitted by the defendant, the defendant is guilty of a felony.
Colorado		
Colo. Rev. Stat. § 18-3-415.5	Sentence Enhancement	If it is proven beyond a reasonable doubt that a person had notice of his or her HIV infection prior to the date that he or she committed a sexual offense, the judge shall sentence the person to a mandatory term of incarceration of at least three times the upper limit of the presumptive range for the level of offense committed, up to the remainder of the person's life. ("Sexual offense" refers to sexual offenses consisting of sexual penetration as defined in Colo. Rev. Stat. § 18-3-401(6).) (See also Colo. Rev. Stat. § 18-1.3-1004.)
Colo. Rev. Stat. § 18-7-205.7	Class 6 Felony	Any person with knowledge of being infected with HIV who patronizes a prostitute is guilty of a class 6 felony. ("Patronizing a prostitute" is defined in Colo. Rev. Stat. § 18-7-205.)
Colo. Rev. Stat. § 18-7-201.7	Class 5 Felony	Any person who, in exchange for money or any other thing of value, performs or offers or agrees to perform, with any person not his/her spouse, any act of sexual intercourse, oral sex, masturbation or anal intercourse and does so with knowledge of having tested positive for HIV, is guilty of a class 5 felony.

Fla. Stat. Ann. § 384.24(2)	Not Specified	It is unlawful for any person who has HIV, with knowledge of such infection and having been informed that he or she may communicate it to others through sexual intercourse, to have sexual intercourse with any other person, unless the other person has been informed of the presence of HIV and has consented to the sexual intercourse.
Fla. Stat. Ann. § 381.0041(11)(b)	Third Degree Felony	Any person who knows he or she has HIV and has been informed that by donating blood, organs or human tissues he or she may communicate HIV to another person and with this knowledge donates blood, organs, plasma, skin or human tissue is guilty of a felony of the third degree.

Fla. Stat. Ann. § 796.08(4)	Third Degree Felony	A person who commits prostitution, offers to commit prostitution or (by engaging in sexual activity likely to transmit HIV) procures another for prostitution, and who had previously tested positive for HIV and knew or had been informed of the test result and of the possibility of transmission to others through sexual activity commits criminal transmission of HIV.
Fla. Stat. Ann. § 775.0877	Third Degree Felony (punishable by any penalty provided by law for the subsection (1) offense committed; the court may also require an offender to serve a term of criminal quarantine community control)	A person who pleads guilty or nolo contendere to, or is convicted of, committing or attempting to commit one of the crimes that is listed in subsection (1) of this statute and involves the transmission of bodily fluids from one person to another, who subsequently tested positive for HIV and was informed of that test result, and who then again commits one of the crimes listed in subsection (1) is guilty of criminal transmission of HIV, a felony of the third degree. The offenses listed in subsection (1) include, among others, sexual assault, incest, child abuse, indecent assault upon a minor child, sexual performance by a minor, and donation of contaminated blood.
Georgia		
Ga. Code Ann. § 16-5-60(c)	Felony (punishable by imprisonment for not more than 10 years)	Any person who knows that he or she is HIV infected is guilty of a felony if he or she, without first disclosing his or her HIV status, (1) knowingly has sexual intercourse or performs or submits to any sexual act involving the sex organs of one person and the mouth or anus of another person; (2) knowingly shares a hypodermic needle or syringe with another person; (3) offers or consents to perform an act of sexual intercourse for money; (4) solicits another to perform or submit to an act of sodomy for money; or (5) donates blood, blood products, other body fluids, or any body organ or body part.
Ga. Code Ann. § 16-5-60(d)	Felony (punishable by imprisonment for between 5 & 20 years)	A person who knows he or she is HIV infected who commits an assault with the intent to transmit HIV, using his or her body fluids (blood, semen, or vaginal secretions), saliva, urine, or feces upon a peace or correctional officer while the officer is engaged in the performance of his or her official duties or on account of the officer's performance of his or her official duties is guilty of a felony.

Idaho		
Idaho Code § 39-601	Not Specified	It is unlawful for anyone infected with HIV to knowingly expose another person to HIV infection.
Idaho Code § 39-608	Felony (punishable by imprisonment in the state prison for a period not to exceed 15 years, by a fine not in excess of \$5000, or both)	Any person who exposes another in any manner with the intent to infect or, knowing that he or she has HIV, transfers or attempts to transfer any of his or her body fluid, tissue or organs to another person is guilty of a felony. It is an affirmative defense that the sexual activity took place between consenting adults after full disclosure by the accused of the risk of HIV transmission. It is also an affirmative defense that the transfer of body fluid, tissue or organs occurred after advice from a licensed physician that the accused was noninfectious. ("Body fluid" means semen, blood, saliva, vaginal secretion, breast milk, and urine. "Transfer" means engaging in sexual activity by genital-genital contact, oral-genital contact, anal-genital contact; or permitting the use of an unsterilized hypodermic syringe, needle, or similar device; or giving blood, semen, body tissue, or organs for purposes of transfer to another person.)

Illinois		
720 Ill. Comp. Stat. § 5/12-16.2	Class 2 Felony	A person who knows that he or she is infected with HIV commits criminal transmission of HIV if he or she (1) engages in contact with another person involving the exposure of the body of one person to a bodily fluid of another in a manner that could result in HIV transmission; (2) transfers, donates or provides his or her blood, tissue, semen, organs or other potentially infectious body fluids for administration (e.g., transfusion) to another person, or (3) in any way transfers to another any nonsterile IV or intramuscular drug paraphernalia. The actual transmission of HIV is not a required element of this crime. It is an affirmative defense that the person exposed knew the infected person was infected with HIV, knew the action could result in infection, and consented with that knowledge.
Indiana		
Ind. Code § 35-42-1-7	Class C Felony, Class A Felony	A person who recklessly, knowingly, or intentionally donates, sells or transfers blood, a blood component, or semen for artificial insemination that contains HIV commits a class C felony, but if it results in the transmission of HIV it is a class A felony. (Does not apply to person who, for reasons of privacy, donates blood to a blood center after the person has notified the blood center that the blood must be disposed of or who transfers HIV positive body fluids for research purposes.)
Ind. Code § 35-42-6(e)	Class D Felony, Class C Felony, Class A Felony	A person who knowingly or intentionally in a rude, insolent, or angry manner places (or coerces another to place) blood or another body fluid or waste on a law enforcement or corrections officer, firefighter, or first responder (identified as such and engaged in performance of official duties) commits a class D Felony. If the person knew or recklessly failed to know that the blood, bodily fluid or waste was infected with HIV, it is a class C felony. If the person knew or recklessly failed to know that the blood, bodily fluid or waste was infected with HIV and the offense results in transmission of HIV, it is a class A felony.
Ind. Code § 35-42-2-6(f)	Class A Misdemeanor, Class D Felony, Class B Felony	A person who knowingly or intentionally in a rude, insolent, or angry manner places human blood, semen, urine or fecal waste on another person commits a class A misdemeanor. If the person knew or recklessly failed to know that the blood, semen, urine or fecal waste was infected with HIV, it is a class D felony. If the person knew or recklessly failed to know that the blood, semen, urine or fecal waste was infected with HIV and the offense results in transmission of HIV, it is a class B felony.
Ind. Code § 35-45-16-2(a) & (b)	Class B Misdemeanor, Class D Felony, Class B Felony	A person who recklessly, knowingly, or intentionally places human blood, semen, urine or fecal waste in a location with the intent that another person will involuntarily touch it commits malicious mischief, a class B misdemeanor. If the person knew or recklessly failed to know that the blood, urine, or waste was infected with HIV, it is a class D felony. If the person knew or recklessly failed to know that the waste was infected with HIV and the offense results in the transmission of HIV to the other person, it is a class B felony.

Ind. Code § 35-45-16-2(d)	Class A Misdemeanor, Class D Felony, Class B Felony	A person who recklessly, knowingly, or intentionally places human blood, body fluid, or fecal waste in a location with the intent that another person will ingest it commits malicious mischief with food, a class A misdemeanor. If the person knew or recklessly failed to know that the blood, fluid or waste was infected with HIV, it is a class D felony. If the person knew or recklessly failed to know that the blood, fluid or waste was infected with HIV and the offense results in the transmission of HIV to the other person, it is a class B felony.
Ind. Code Ann. §§ 16-41-7-1, 35-42-1-9	Class B Misdemeanor, Class D Felony	Persons who know of their status as a carrier of HIV have a duty to warn -- or cause to be warned by a third party -- a person at risk of the following: both the carrier's disease status and the need to seek health care such as counseling and testing. A "person at risk" means past and present sexual or needle sharing partners who may have engaged in high risk activity with the carrier of HIV; or sexual or needle sharing partners before engaging in high risk activity with the carrier of HIV. "High risk activity" means sexual or needle sharing contact that has been demonstrated epidemiologically to transmit HIV. A person who recklessly violates or fails to comply with this law commits a Class B misdemeanor and a person who knowingly or intentionally violates or fails to comply with this law commits a Class D felony.
Ind. Code § 16-41-14-17	Class C Felony, Class A Felony	A person who, for the purpose of artificial insemination, recklessly, knowingly, or intentionally donates, sells, or transfers semen that contains HIV antibodies commits a Class C felony. The offense is a Class A felony if the offense results in the transmission of the virus to another person. (This does not apply to a person who transfers for research purposes semen that contains HIV antibodies.)

Iowa

Iowa Code § 709C.1	Class B Felony	A person commits criminal transmission of HIV if the person, knowing of his or her HIV positive status: engages in intimate contact with another person; transfers, donates or provides blood, tissue, semen, organs, or other potentially infectious bodily fluids for administration (e.g., transfusion) to another person; or in any way transfers to another person any nonsterile intravenous or intramuscular drug paraphernalia previously used by the person infected with HIV. "Intimate contact" means the intentional exposure of the body of one person to a bodily fluid of another person in a manner that could result in the transmission of HIV. Actual transmission of HIV is not a necessary element of this crime. It is an affirmative defense that the person exposed to HIV knew of the other person's HIV positive status, knew that the action of exposure could result in transmission of HIV, and consented to the action of exposure with that knowledge.

Mississippi		
Miss. Code Ann. § 97-27-14(1)	Felony	It shall be a felony for any person to knowingly expose another person to HIV. Prior knowledge and willing consent to the exposure is a defense to a charge brought under this statute.

Miss. Code Ann. § 97-27-14(2)	Felony	It is a felony if a person attempts to cause or knowingly causes a corrections employee, a visitor to a correctional facility or another prisoner or offender to come into contact with blood, seminal fluid, urine, feces or saliva, if the person knows that he or she is infected with HIV.
Missouri		
Mo. Rev. Stat. § 191.677	Class B Felony, Class A Felony	It is unlawful for a person knowingly infected with HIV to be (or attempt to be) a donor of blood, blood products, organs, sperm or tissue, except as deemed necessary for medical research. It is also unlawful for a person knowingly infected with HIV to act in a reckless manner by exposing another person to HIV without the knowledge and consent of that person, in any of the following manners: (1) through contact with blood, semen or vaginal secretions during oral, anal or vaginal sex, (2) by sharing needles, or (3) by biting another person or purposely doing anything else which causes the HIV infected person's semen, vaginal secretions, or blood to come into contact with the mucous membranes or nonintact skin of another person. The use of a condom is not a defense. A violation of these provisions is a class B felony, unless the victim contracts HIV from the contact, in which case it is a class A felony. (Statute provides examples of "reckless" conduct.)
Mo. Rev. Stat. § 567.020	Class B Felony	Performing an act of prostitution, which is normally a class B misdemeanor, becomes a class B felony if the prostitute knew prior to performing the act of prostitution that he or she was infected with HIV. The use of a condom is not a defense.

S.D. Codified Laws §§ 22-18-31, 22-18-33, 22-18-34	Class 3 Felony	It is unlawful for any person, knowing him/herself to be infected with HIV, to intentionally expose another person to infection by: (1) engaging in sexual intercourse or other intimate physical contact with another person; (2) transferring, donating or providing blood, tissue, semen, organs or other potentially infectious body fluids or parts for administration to another person in any manner that presents a significant risk of HIV infection; (3) transferring in any way to another person any nonsterile intravenous or intramuscular drug paraphernalia that has been contaminated by him/herself; or (4) causing blood or semen to come in contact with another person for the purpose of exposing that person to HIV infection. The actual transmission of HIV is not a required element of this offense. It is an affirmative defense, if proven by a preponderance of the evidence, that the person exposed to HIV knew the infected person was infected with HIV, knew the action could result in infection with HIV, and gave advance consent to the action with that knowledge.
Tennessee		
Tenn. Code Ann. § 39-13-109	Class C Felony	It is unlawful for a person, knowing that he or she is infected with HIV, to knowingly: (1) engage in intimate contact with another; (2) transfer, donate or provide any potentially infectious body fluid or part for administration to another person in any manner that presents a significant risk of HIV transmission; or (3) transfer in any way to another any nonsterile intravenous or intramuscular drug paraphernalia. "Intimate contact with another" means the exposure of the body of one person to a bodily fluid of another person in any manner that presents a significant risk of HIV transmission. It is an affirmative defense, if proven by a preponderance of the evidence, that the person exposed to HIV knew the infected person was infected with HIV, knew the action could result in infection with HIV, and gave advance consent to the action with that knowledge. The actual transmission of HIV is not a required element of this offense.
