Dear Clark,

We should not do this war and we are members with a specific goals to

1. prevent Peer review fraud,
2. fraud at Medical boards and
3. fraud at the hospitals.

We are not experts in HIV disease and should live to the scientists who conduct Bench research. I did three solid years of Research in HIV disease. I kept quiet to make any comments because "Semmelwiese Society is not the venue"

We should not endorse or reject any hypothesis or groups.

The leadership of Semmelweis has to rise to the occasion not foot soldiers like us and it is going to cause harm to the organization. If the leadership fails the organization will get very weak. Every body expressed their opinion as democracy dictates but a discipline is important let our leaders decide and we should follow. We use our energy to build to the cause and unity not for any other purpose.

Dear Clark,

The organisation is not about Jim or Gil.
We do not have knowledge to comment on Duesberg hypothesis. If we are authorities with our limited knowledge of Science we all should take it to HIV international meeting and debate it not on the arena of Semmelweis society. The Semmelweis society is not a HIV organisation.

Thank you

Members of Semmelweis,

We read Dr. Bard's recent letter. Our
Semmelweis Society has deviated from its course.

Can we return it to its original course on the
anniversary of the loss of our Founder? We
invite you to meet to discuss the crisis we
face: August 22-23 in Washington DC.

Agenda:

1. Can we alert the public to the
patient-endangerment that is Bad Faith Peer
Review?

2. Can we do more to protect doctors who
protect patients?

Schedule:

Friday, May 22: Dinner at the Warehouse, 6 PM.

Saturday, May 23: Meeting of Semmelweis
Society, 9 AM until conclusion. Site to be
decided according to the response to this
letter.

We are committed to returning our society to the
original course chosen by our founder, Verner
Waite M.D. We are committed to democracy and
transparency. Members attending this urgent
meeting will be given equal time to speak,
without exception, without exclusion. There
are no prepared presentations.

We hope you can attend; we apologize for the

Subject: Re: Provisional committte is formed due to Constitutional crisis and By-Laws violation.The existing Board is null and void.

Dear Honorable Semmelweis Members,

Subject: Constitutional Crisis and violation of By-Laws. Provisional Committee appointed.

We face a 'Constitutional crisis' over whether officers were properly elected last year and who may vote to recall them.
Dues-Paying Members of SSI (Method A); and,
Non-Dues Paying Members of SSI (Method B)

Read the by-laws (1).

The question is whether one must be current in one's dues to vote. Professor Holmes and I discussed what a quorum by 2 methods is; we agreed that we disagree. We can adopt:

Method A. Require members to have paid their annual dues to be considered active members who may vote, as suggested by myself; or,

Method B. Consider as active members anyone who has paid once and therefore been a member, even if his account is not current, as suggested by Treasurer Holmes.

{Elections in 2003 (Dr. Butler) and 2005 (Dr. Hinnant) had a quorum by both methods.}

The 2007-election was close; it met the quorum for Method A favored by myself and is legitimate only by my standard, but it did not meet the quorum-standard of Method B favored by Professor Holmes, Secretary Baker, and Past President Hinnant. The President is illegitimate by the standard of Method B.

Dr. Bard is counting votes to recall the Interim Secretary and the President who appointed him. Professor Holmes, Secretary Baker, and Past President Hinnant declare only Method B is legitimate for the recall, in which case the original election of the President by 11 to 9 votes was illegitimate. By using this standard the previously quorum-qualified president, Dr. Hinnant, should still be in office!

If Method A is used to make the present Secretary and President legitimate, then by an unofficial preliminary vote of 19 to 9 they may soon face recall and be out of office--we are obligated by Tennessee law under which Drs. Bard, Hinnant, and Butler incorporated SSI with Dr. Waite's approval to wait until 30 August for the final tally.

Yesterday another distress call came in from a doctor facing Data Banking, through our referral and was within minutes she was provided social, emotional and legal support.

Irrespective of the outcome of the vote to excuse, Secretary Baker and President Chalifoux for Charges of their failing to follow due process and the by-laws, we will always support due process in peer review and all aspects of medicine and university administration. That is what Dr. Waite did in 1986 on behalf of Dr. Patrick (PATRICK v. Burget) in an Amicus with AAPS, that is what he did against 2 competitors persuading a libelous nurse in 1986 (Award: \$554,000), and that is what we will do indefinitely in a manner that is "Calm, rising through change and through storm." The MISSION OF SSI is to assist victims of Bad Faith, and to attempt to change the conditions that allow it to occur. The distractions of the Chalifoux/Baker affair are counter to this mission, and the cause must move forward based upon the principles of fairness, honor, and due process under the law and democracy.

The membership of Semmelweis Society recognized there is no legitimate Board got elected and violated the By-Laws in the election so the Present Board is null and void except Dr. Butler and Dr. Hinnant.

The members of Provisional committee are me, Blake Moore and Bill Hinnant. The three member provisional committee is going to examine the By-laws and present to the general membership for approval followed by election for President, Vice president, Secretary and Treasurer.

A meeting will be held on 31 August to discuss this issue and other issues, including what to do when we fail to follow due process within our ranks. Everyone is invited. The election is going to happen on August 31st 2008.

ARTICLE III: ORGANIZATION

SECTION 1: Officers

- A. The organization will have at minimum a President and a Secretary-Treasurer.
- B. Other Officers who may be elected as required are:
 - a. Vice-President
 - b. Secretary
 - c. Treasurer
 - d. Attorney Liaison
- C. The President and Secretary-Treasurer will initially be appointed by the incorporators and will serve a term of 2 years.
- D. Following this two-year term, officers will be elected by a quorum of the Members for additional two year terms.
- E. This election will take place at a date and time to be established and will occur at the annual meeting.
- F. The President and other officers must be active Members of the Society.

SECTION 2: Executive Board of Directors

- A. When the membership will allow, as determined by the President of the Society a Board of Directors will be established.
- B. The Board of Directors will consist of a minimum of three Members.
- C. The Board may, on its own authority increase the number of Board Members to meet the additional requirements of the Society, but limited to a maximum of seven Members.
- D. The Executive Board consists of the elected officers plus elected Board Members to a total of five or seven if so decided by the Society. If a new president is elected, the immediate past president is automatically a Member of the Board.
- E. The Board of Directors must always consist of an odd number of Members unless there are only three Members and one Member resigns or fails to complete his/her term.
- F. If the Board consists of more than three Members and one Member resigns or is unable to complete his/her term, either a new Board Member must be appointed and approved by a majority of the remaining Board Members or a new

Board Member must be elected by a quorum of all active Members of the Society. If this is not accomplished within 60 days, then the most recent other Board Member or Member with the lowest seniority must resign within 60 days to once again provide an odd number of Board Members.

- G. Board Members can be any person who is interested in the improvement of the peer review process and is a Member of the Society, but does not have to be a doctor or lawyer.
- H. Board Members may be any Member of the Semmelweis Society. A Board Member may be recalled by a majority vote of the Society membership.

SECTION 3: Members

- A. Any person interested in the peer review process and interested in correcting the deficiencies of the peer review process may be a Member of the Semmelweis Society.
- B. Dues for membership are to be established by the officers and then by the Board when it is established.
- C. Dues or any other income are to be used for the defense of persons who are the victim of sham peer review, for establishing and maintaining the data base or for other purposes as determined by the Board.
- D. Contributions are welcome and will be accepted. We request that all contributions be made to the Semmelweis Educational Foundation.
- E. Though it is our interest to make information available to anyone who needs it, we would hope that the opportunity to help a person who has been persecuted will be incentive enough for the organization.
- F. The Semmelweis Society does oppose the proposition that any of its members may negotiate to reach a separate contract for services with either members or non-members of the Society. In this case arrangements are strictly between the parties contracting. Other than this, it is the intention of the Society to provide all of the above services to members for free, based on the ability and time of individual members to assist persons requesting help.
- G. Though the Bylaws do not anticipate compensation for the Officers of the Society, depending on the amount of work involved, compensation may be requested in writing and must be approved by the Board of Directors.
- H. The membership is confidential, and to be only promulgated among the Members of the society.
- I. Any Member can be accepted to the society, subject to final approval of the Board. Any Member refused membership has the right to an appeal of three Members of the Semmelweis society selected one by the Board, one by the potentially excluded Member and one Member agreed to by both, with due process protections. These are to be established by the Board and are to be consistent with the due process requirements supported in general by the Semmelweis Society.

ARTICLE IV: MEETINGS

- A. There will be an annual meeting of the Society at a time and place to be established by the Officers unless the Board of Directors is established in which case the time and place will be established by the Board.
- B. The meeting will be primarily to organize, plan and direct the Society for the following year.
- C. At a minimum, the following will be the agenda at each meeting.
 - a. Call to order.
 - b. Minutes approval from the previous meeting

- c. New members approved.
 - d. Election of new Officers.
 - e. Report on legislative changes over the last year.
 - f. Financial report of the Society.
 - g. Old Business.
 - h. New Business.
- D. Additional meetings may be called by a majority of the Board Members or by a majority of the members of the Society as required.
 - E. Business at a meeting may be conducted if there is a quorum of the membership, either by actual attendance or by written proxy.
 - F. A quorum is 51% of the active members of the Society.
 - G. A majority vote of the quorum will be required to approve any resolution unless otherwise stated in these Bylaws.
 - H. Resolutions may be presented to the Board between meetings, and if approved by a majority of the Board may be sent to the members by mail, email, or fax for a vote.
 - I. If a resolution presented to the Board is approved by the Board and sent to the members, a majority of the members may accept the resolution in which case it has the same force as a resolution passed at a meeting.
 - J. If a resolution passed to the membership by the Board is not accepted by a majority of the current members, then this resolution may not be presented to the membership of the Society again for a minimum of 2 years.
 - K. If a resolution is rejected by the Board, it may be introduced at the next meeting without a minimum time requirement.

ARTICLE V: COMMITTEES

- A. Committees to perform specific duties may be appointed by the Officers or Board, or recommended by a Member as needed to accomplish a particular purpose.
- B. Any Member may submit a request for a particular Committee to be established by a written request to the Board, including the duties of the Committee anticipated.
- C. Establishment of the Committee is within the sole discretion of the Board.
- D. No Committees are automatically established.
- E. The Committee, if appointed, will also have an appointed Chairman who will report to the President and the Board if appointed by the Board.
- F. The Committee can, at any time, elect a new Chairman of the Committee if a majority of the Committee members decide to elect a Chairman different from the appointed Chairman. If elected, the Chairman will serve until the Committee business is concluded, or for a minimum term of one year.
- G. Committee Chairman will provide a written report to the Board and Officers at least once every 6 months. These reports will be sent to the members for information.
- H. The Committee will continue to exist as long as the purpose for which it was appointed exists.

ARTICLE VI: AMENDMENT OF THE BYLAWS

- A. Any Member may present a resolution to amend the Bylaws.
- B. This resolution is to be presented to the Board of Directors, or if none exists, to the President.

- C. If there is a Board, the Board must approve the change by a majority vote, unless the amendment affects the Board directly in which case it is considered approved by the Board.
- D. If there is no Board, the President will present the amendment to the membership within 3 months or at the next annual meeting whichever is less.
- E. If there is a Board and the Board approves the amendment resolution, the resolution is presented to the membership within 3 months or at the next annual meeting whichever is less.
- F. The amendment must be approved by a 2/3 majority of the membership without a meeting or 2/3 of the members present at the annual meeting provided the quorum requirements are met.

ARTICLE VII: GENERAL PROVISIONS

- A. This Society does lobby any official, whether elected or not, in order to pass legislation.
- B. This Society will provide information on request to anyone involved in any way in the peer review process with the exception of those organizations or individuals identified as perpetrators of sham peer review.
- C. All Board Members or Officers of the Society have complete and total immunity from any actions they take with regards to the Society to the fullest extent permitted by law.
- D. Board Members and Officers do not have immunity for any actions involving fraud, conversion, or any other intentional tortuous action that is in direct opposition to the stated goals of the Society.
- E. The minutes from the annual meeting are to be emailed to every member of the Society within 30 days after the completion of meeting. Due to costs, the Society cannot mail the minutes if the member has no email.

Dear Dr. Butler,

As a spokes person for the committee.
There were no members expelled. The Previous so called board actions were "Null and Void"
We the Semmelweis Society is an inclusive group not an exclusive group. You are the most respected person in this group and a honor to work with you.
You will never receive any non sense mail from this committee and going to respect every member of this organization.
You will never receive any e-mail related to HIV or AIDS from my committee.The AIDS, HIV and Duesburg is dead in this organization.
I am already working on Sham Peer review and Fraud in the Medical Boards in TWO states (Texas and California). I am planning to extend to all Fifty states in this country.

WE do very thing possible to bring back civility in the Society as members requested.

We take advise from every body in this organization.

I am going to answer some of the questions after discussing with Dr. Hinnant and Dr. Moore.

WE committee can help any physician is "victim of Sham Peer review or a victim of any Medical Boards action".

I am maintaining the privacy of your e-mail address.

Thank you

Dear Members of Semmelweis Society,

There is no Board at the present time and thanks for the input and the
committee is going examine your request on by-laws and present to the
general membership on August 31, 2008 for a vote. Please attend the meeting
to hear your voice.

Thank you for your effort as members of Semmelweis Society in reforming the
Sham Peer review. Please focus on Sham Peer review and give us more
suggestions.

I am not interested at all in debating HIV, AIDS and Duesburg. If any of the members interested on that issue take the high way not on Semmelweis Society plat form. If you are smart and Gutsy take it to a AIDS peer review journal. This is the last time politely requesting stop this non sense sending it to me.

The members of Semmeleweis Society put the responsibility on Provisional committee to focus on Sham peer review and Medical Board actions because the present Board is null and void. We are in the process of electing a New Board on August 31st, 2008.

Dear Honorable members of Semmelweis Society,

Today at 9pm the provisional committee discussed these following issues on a conference call.

1. The By-laws need some fine tuning and going to request the help of Dr. Butler and Dr. Bard to help us to present to the general membership. We welcome members comments on By-Laws. Two null and void board members made suggestions regarding By-Laws and look into those suggestions.
2. The provisional committee already planning to help the Sham Peer reviewed physicians
3. There is a grant proposal going to be submitted for the Projects of the Semmelweis Society.
4. The General Membership meeting of Semmelweis Society is confirmed on August 31st 2008 at Washington DC. The detail are going to be E-mailed tomorrow.
5. We concluded that it is a great responsibility on Provisional committee to take Semmelweis Society out off troubled waters.

Terry,

There is a polite way to express doubts. I do have responsibility to resolve membership doubts since I am the provisional committee spokes person. The officers of SSI were never got elected properly so null and void. On top of this overwhelming majority of membership in the SSI recalled President and Secretary and they are gone. There is a vote going on regarding the Amendments passed and to change of By-Laws on 8/31/08. If you are interested please vote and the results are going to be published next day or two.

But still going to serve you the court papers if you are not going to meet my apologize dead line.

And before you start screaming like your hair's on fire because I called you a **primate**, consider first that my children are half-Indian Hindus. I called you and your tribe **primates** NOT for your physical, racial, sexual, and religious attributes, but because of your hysterical antics.

Clark after all you are a member of SSI. I do not want your e-mails. Period, despite you send me any more e-mails that is a violation of my privacy.

I just warning you do not violate the Federal statue of intrusion into somebody privacy. This is my last warning.

I do not put up your non sense.
